## FOOTBALL.

Football started, as usual, at the beginning of the second quarter with considerable enthusiasm, which has been well maintained. The whole school has been divided into four sections, chiefly arranged according to age. In the Second Division (boys of under 15 years of age) there are three teams captained respectively by Barbour, E., Peiser, G., and Smith, L. A similar arrangement is in force for the Third Division (boys under 12). The Fourth Division is composed of boys under nine years. Play has been keen, and the knowledge of the rules is improving, but the chief fault is individualism—fellows must learn to combine and play as a team. Combination is the essence of Rugby football, *i.e.*, unselfishness.

The First Division consists of the School First and Second Teams, who have played Plumtree School twice this quarter. On the first occasion that they played Plumtree, May 11th, the First were victorious by 10 pts. to nil after an extremely close and fast game. The Plumtree team are to be complimented on their tackling and the Milton on their passing. Of the Plumtree backs, Hazelhurst stood head and shoulders above the rest, and was the mainstay of their defence and attack, being with difficulty prevented from scoring on several occasions. Of the Milton three-quarters, whose passing was excellent,

Playford was the best both in running and tackling, one tackle by which he prevented Hazelhurst from scoring being especially brilliant. Lang on the wing saved the situation many times by well-judged kicks. Hochstein, Raubenheimer and Dixon were the best of a hard-working set, most of whom did their full share of the work, though they did not shine in one respect, *viz.*, the stopping of the Plumtree rushes. The tries were scored by Lang and Hochstein, and Playford dropped a goal. Both sides must be congratulated on the excellent spirit in which a hard game was played.

In the match between the second teams, the Milton team, who were much the heavier, won easily by 24 points to nil. The Milton three-quarters passed well, Stumbles being the best, but both he and the other centre were rather selfish. Both the wings, especially Peiser, were prominent. Swift was the better half, while Usher was the best of a winning pack of forwards. H. de Beer was unfortunate in sustaining a broken collar bone.

In the return fixture on May 28th, on our ground, the School teams won more easily. The first beat their opponents by 22 points to 3 (a penalty goal). Of the Milton three-quarters Playford and Lang gave a great display of quick inter-passing. Streak was the better half, making several good openings, but Dobson was rather slow. The forwards played

well together, especially Hochstein, Dixon and Frey. They are still, with two exceptions, very slow in falling back to help the defence, but they missed E. Raubenheimer who was playing full-back for the second team, owing to a damaged hand.

The second team's game was a decided run-over for Milton, who were considerably heavier. Barker, a recruit from Soccer, made a promising début as a forward, making good use of his weight and speed, and scored two tries. He should do well when he knows the game better. F. Streak showed excellent form at half, and broke nicely several times. The threequarters played well individually, but were far too selfish. E. Raubenheimer showed us the rather unusual spectacle of a full-back scoring tries. The final score was 53 points to 3 (a penalty goal kicked in the first five minutes).

### RESULTS:

On May 11: First v. Plumtree School First, at Plumtree:—

Brewer, A., full-back; Lang E. (vice-capt.), Playford, Dreyer, G., de Smidt, A., threequarters; Dobson and Streak, W., halves; Hochstein (capt.), Raubenheimer, E., Dixon, Frey, Margolis, Buckley, Wilkinson, Rabinovitch, forwards.

Milton 10 points; Plumtree nil.

Second v. Plumtree Second.

Dreyer, F., full-back; Baggot, Hardman, Stumbles, Peiser, G., threequarters; Swift (capt.) and Streak, F., halves; Usher, Townsend, Cowden, de Beer, Lazarus, Smith, L., Raubenheimer, G., and Dicks, forwards.

Milton 24 points; Plumtree nil.

On May 28, at Milton: First v. Plumtree First:—

Dreyer, F., full-back; Lang, E., Playford, Brewer, de Smidt, A., threequarters; Dobson and Streak, W., halves; Hochstein (capt.), Dixon, Frey, Margolis, Buckley, Wilkinson, Usher, Rabinovitch, N., forwards.

Milton 22 points; Plumtree 3.

Second v. Plumtree Second.

Raubenheimer, E., full-back; Baggott, Hardman, Peiser, Elworthy, threequarters; Swift (capt.) and Streak, F., halves; Townsend, Dicks, Smith, L., Raubenheimer, G., Cowden, Barker, Lazarus and Kempster, forwards.

Milton 53 points; Plumtree 3.

**CRICKET.**

During the latter half of the season, the school was divided into three sets, consisting of the Senior Division comprising the the first and second elevens, the Junior Division made up of the remaining boys down to Standard IV, and the third or small boys Division, (Standards III, II and I).

The First Eleven, after suffering defeat at the hands of Mr. Blanckenberg's Team and the R.R.V. after very close games, finished up their season brilliantly with successive wins over the R.R.V. Capt. Gilbert's team, B.S.A.P, St. George's School and Plumtree School. Their thanks are principally due to Capt. Gilbert for so kindly coming and coaching at the nets on Wednesdays, and E. Lang, is to be complimented on the way he captained the team and inspired them. Their batting was generally sound but at the same time did not lack enterprise, and the bowling was good, but fielding should have been much better.

The Second and Third Teams played two matches each against St. George's School.

On Saturday, May 25th, a steeplechase was held as an item for the Sports. The course was right along the Golf Links to the ninth hole, across to the Racecourse, down the straight and past St. Peter's, and thus back to the School, the distance being about  $\frac{3}{4}$  miles. E. G. Raubenheimer easily won, having taken just over 26 minutes. J. Playford came second two minutes later, and W. Hardman third, being about half a minute behind.

is working hard for the Athletic Sports. But at the end of March we had to say goodbye to Miss J. Jennings who was going away to be married.

That some of us have no idea of tact is quite evident from the fact that about fifteen of us had that "serious" epidemic mumps on the last two or three days before the end of the term last year instead of having the sense to wait a little longer. We only regret that a photo was not taken of the invalids. The mumps interfered with our examinations a great deal, and special commissioners had to be sent down here to attend the candidates. We are very grateful to various members of the Eveline staff who very kindly assisted us in this matter.

The School fared very sadly with the ex-Miltonians at the Front during the recent campaign. Walter Melvill was severely wounded in the right leg, but is now convalescent. William Mirtle was also wounded. "Tommy" Lewis, "Sonny" Ashburner, N. B. Cran, A. Whales, H. Jackson, J. K. Mockford, W. Gray and L. Byers are reported prisoners of war, while J. Ulyett is missing. Alan Reynolds was severely wounded but is now convalescent, as is Hugh Phenix who was also wounded. Tommy Lewis was at first reported killed but then the good news came that he was a prisoner; Mr. A. N. Cranswick had the same experience and is now a prisoner.
